

Solar Household Energy

Solar cooking for Human Development and Environmental Relief

March 2018 Newsletter

Dear friends,

This is a very special announcement!

On April 1st, SHE is launching a 60-Day Fundraising Campaign:

[Make Cooking a Joy for Women in the Gaga Refugee Camp](#)

Check out our campaign video at <http://www.she-inc.org/?p=2684>

The campaign will raise \$100,000 to offer 1,500 solar cookers to women living in the Gaga refugee camp in Chad, Africa!

Please make this fundraising campaign a success:

1. Make a donation today through [Network for Good](#)
2. Spread the word about the campaign to your friends, colleagues, and on all your social media platforms.

Information on the Gaga project is available at <http://www.she-inc.org/?p=2240>

If you have any questions, do not hesitate to contact us at inquiries@she-inc.org.

Thank you!

The SHE Team

Donate to Solar Household Energy!

What your contribution can provide:

\$40 = Training of a solar cooking ambassador, and the means to effect change within their community.

\$75 = Three solar cooker kits for three families, and a smoke free environment.

\$150 = Four solar cookers and long-term follow-up for four families, and a means to self-sustainability.

\$500 = A month's worth of solar cooking social enterprise start-up costs, and enhanced capacity and livelihood.

Volunteer and internship opportunities in:

- technology research
- local education/demos
- field project support
- administrative support
- fundraising
- website/social media
- writing/editing
