

# Solar Household Energy

Solar cooking for Human Development and Environmental Relief

## 2021 Summer Newsletter

**SOLAR COOKING AWARENESS WEEK**  
**YOU'RE INVITED TO A SOLAR COOKOUT!**

Dear friends,

Join solar cooking enthusiasts all around the world celebrating Solar Cooking Awareness Week! It is the week from June 23<sup>rd</sup> to 30<sup>th</sup> in the northern hemisphere, and December 17<sup>th</sup> to 23<sup>rd</sup> in the southern hemisphere.

**Join our Solar Cookout at Stead Park in Washington, DC, Monday, June 28<sup>th</sup> from 11 to 2 pm - 1625 P St NW, Washington DC, near Dupont Circle.**

**Stead Park playground**

Join us with your friends and family near Stead Park's playground and splash pad, to:

- see various types of solar cookers in action and taste solar cooked food,
- find out more about SHE's international projects promoting solar cooking for environmental relief and human development.
- meet other solar cooking enthusiasts, share solar cooking tips and recipes,
- demonstrate your own solar cookers, or share your solar cooked food!

**If you bring your own solar cooker, please let us know by replying to this email, so we can plan for space and possible permitting requirements.**

We look forward to seeing you! Stay tuned for a rain date!

Sophie Lyman, Executive Director, and the SHE Team  
Solar Household Energy is a GuideStar Gold-Star certified 501(c)3 non-profit.

### Donate to Solar Household Energy!

Donate

#### Send a check to:

Solar Household Energy  
c/o Richard Stolz  
5 Lochness Ct.  
Rockville, MD 20850-2950

#### What your contribution can provide:

**\$40** = Training of a solar cooking ambassador in a rural Mexican village, and the means to effect change within their community.

**\$75** = Three solar cooker kits for three families, and a smoke free environment.

**\$150** = Four solar cookers and long-term follow-up for four families, and a means to self-sustainability.

**\$500** = A month's worth of solar cooking social enterprise start-up costs, and enhanced capacity and livelihood.
